3	Michael Largemug	XX777777	replica infantry musket Charleville Mod. 1777 AN IX	2016	ET 99999	113,5/ 152,0 cm

In addition to filling the table, you must attach one photograph of each instance of the weapon in a separate file. The number of the name of the file must match the number of the weapon in the table. The photo must be of such quality. so it can be printed on one page of A4 and submit to customs. This will speed up border control.
